

# H3

Intelligent Electric Wheelchair

# Advantages

---

Foldable& portable

Smart & light

Battery optimized

APP available

Malfunction  
Self-detection

Multi-Protection

Personalized setting

Intelligent Speed control

# One Key Auto-folding

Intelligent Electric Wheelchair

**H3**

## Easy steering system

Controller rotates freely in 360 degree

# Great climbing capability

Powerful, stable & safe

## Airwheel H3 Specification

Product size	98X96X63CM	Rotate Radius	1.2m
Folded size	98X96X39CM	Top speed	6km/h
Motor power	200W	Climbing capacity	8°
Output Voltage	24V	Slope retention capacity	8°
RPM	4500rpm	Front wheel size	8 inch
Battery	Lithium battery, 24V 18AH	Rear wheel size	12.5 inch
Obstacle surmounting	<40mm	Charging time	8h
Gully climbing	<100mm	Max. Load	130kg
Brake performance	<1.5m	Item weight	30.5KG
